SKILLS

- Creative strategies both for the study and development of the interface and for a emotional and person-centered design.
- UI + UX + IxD. Web desktop, móvil, responsive + App. Self-education + academical. Communication and marketing, offline, copywriter, photography, typography lover...
- Mac environment. Sketch, Invision, Zeplin, Adobe CC, HTML5 y CSS3, pen and paper...
- I enjoy clean, tidy projects, focusing on communicating the essential in each and every project in a clear way, without forgetting feelings.
